Whether you're young or old, whatever your interests are, there will be a Great Day Out for you in this brochure!

WHO ARE GREAT DAYS OUT?

Great Days Out is a service operated by Arrowline Minibuses Ltd. We are a Salisbury company operating taxis and 8, 12 & 16 seater minibuses. We have been serving the local area since 2000 and since 2015 we have been providing an excursion program for those who enjoy getting out and about, but may not have the means to do so or who wish to have a more social day out with like-minded people with similar interests.

By using 16 seater minibuses we are able to take routes through narrow lanes and roads not accessible to larger buses, enabling you to see more of our beautiful countryside. Once at your destination we can usually drop you right at the door, again not accessible to coaches, also 16 passengers getting on and off is a lot quicker than waiting for 50 or so passengers attempting the same. The vehicles are modern with three-point seat belts, low steps and grab-rails for easy access and air-conditioning for passenger comfort.

We offer a door-to-door service, if geographically possible, and achievable within a reasonable time frame, we will pick you up and drop you off at your door. This is a service only available to passengers living within the city limits. For those living further afield we will suggest the nearest pick-up point to your home on our pick-up route where we could meet you, having made your own arrangements to get to that point.

The service is for individuals and groups alike. Mums and Dad's why not take the kids on one of our outings to the seaside? Sons and daughters why not take Mum or Dad out for a change of scenery without you having to drive? We welcome enquiries from WI Groups, Bowling Clubs, Socials Clubs, Church Groups, Sports Clubs and Gardening Clubs.

If you would like to be kept informed of any additional trips we may offer, please provide us with your email address and contact details and you will be the first to hear about them. You will also be the first to receive the new brochure when they are published.

Russell-Cotes Art Gallery and Museum and Christchurch

In 1901 Merton Russell-Cotes brought his wife Annie a dream house on a cliff-top. A lavish, imposing seaside villa overlooking the sea. They filled it with beautiful objects from their travels across the world, and lined the walls with a remarkable collection of British art, creating a unique atmosphere in a most dramatic setting. It was their home but as opulent as any art gallery or museum. Then they sealed it in time, and gave it to the future. Now, with 4 purpose-built art galleries and a fabulous house to explore you will be transported to another time and place to experience beauty, quirkiness and an amazing warm and peaceful atmosphere. There are also manicured gardens with a secluded summerhouse, a Victorian stone grotto and fountain as well as a Japanese garden with gold-fish ponds, bridges and fountain. You will finish your day in Christchurch which has a blend of traditional shops, independent boutiques and well known High-Street stores. It also has two historic Quays, and the Priory Church which is one of the longest parish churches in the country and as large as many of the Church of England cathedrals.

Would you like to advertise in next year's brochure and reach 10,000 Salisbury homes?

Your advertisement will be seen over and over again for 8 months of the year as the trips run from May through till December. The cost is a fraction of what you would pay to advertise for that length of time in weekly or monthly magazines, free local papers, radio advertising or social media. You will not be advertising alongside your competitors as only one business of its kind will be advertising in the brochure. We do not distribute these randomly through post boxes, they are sent to existing customers with the remainder picked up from places with busy footfall within a 10-mile radius of Salisbury.

What are the benefits to you?

Full colour advertisement in a brochure that is valid for 8 months rather than one week.

You will be the only trade / business of your kind in the directory.

850 brochures posted to existing customers on our database.

10,000 brochures will be printed and distributed this year.

Brochure stands will be sited in 120 sites in and around Salisbury.

A targeted audience of mostly home owners within a 10-mile radius of Salisbury.

The ingenuity and design skills of the carnival clubs will take your breath away. With over one hundred giant Carnival floats passing before your eyes over a 2-mile route, each one pulsating with music and aglow with the lights from thousands of coloured light bulbs. Each float is the result of a whole year's work by volunteers and tradesman representing their local carnival club, so there is a great deal of rivalry between clubs to produce the winning float. All proceeds go to charities. The parade starts at 18.00 but you will have plenty of time before to explore Bridgewater and watch Street Entertainment which starts at 10.30 on carnival day.
